Principal's Desk...

Dear Students, Teachers, and Parents,

Our school is a microcosm of the vibrant state of Karnataka, as we celebrate our Karnataka, we honor the traditions, customs, and values that make our state unique. In this issue of our school magazine, we showcase the diversity that makes our school community strong.

From the various cultural events and festivals we celebrate, to the diverse range of extracurricular activities our students participate in, we are proud to provide a platform for our students to express themselves and showcase their talents. I would like to thank our students, teachers, and parents for their contributions to this issue of the magazine.

I hope you enjoy reading about the various events, achievements, and stories that showcase the spirit of Unity and Diversity in our school community. Let us continue to strive for excellence, celebrate our diversity and work together to build a stronger, more harmonious community.

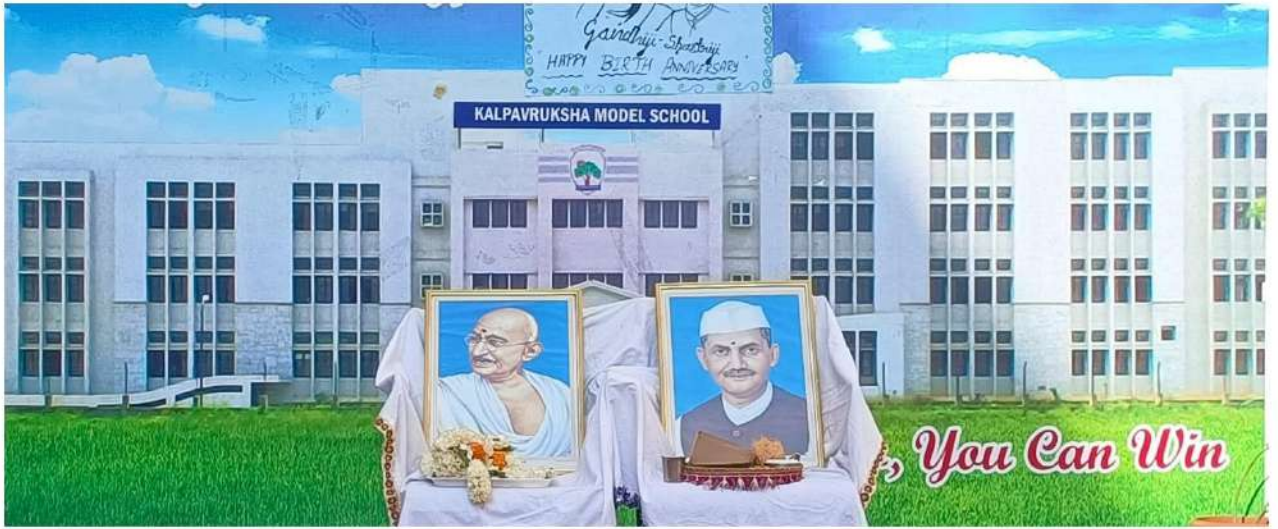

Thank you.

Yours Sincerely,

Dr. Hanamesh Dudyal,
Principal.

Integrated Learning - English, Humanities with Art Integration

The lesson in English "**Meena Finds a Civilization**" was taken to enhance reading and comprehending skills in students. The lesson gives information and interesting facts about ancient civilization, their lifestyle, an old artefact like jewelry, cutlery and the tools they used.

The Harappan seals are like the world's oldest messages. They might have been used to say "this belongs to me" or might used for trading.

As an art corner, to give a hands-on experience for the students, an activity was conducted. The students of *V Omega* designed their own seal/stamp and using it for "*Self Assessment*" and "*Peer Assessment*".

This activity integrated multiple subjects like Art & Design, Humanities; developed skills like creativity, critical thinking and self-expression. Students learnt about significance and usage of seals throughout history across various cultures, explored the symbolism and meaning behind using seal.

ನನ್ನ ಶಾಲೆ

ಕಲ್ಪವೃಕ್ಷ ಪಾಠಶಾಲೆ ಯಾರಿಹರು ಸಂಸಾಟಿ ನಿನಗೆ ಇಲ್ಲಿ

ಮಾँ

हर बच्चे को सजती – सँवारती हैं,
उन्हें खुब खिलाती – पिलाती है,
स्कूल जाने के लिए भी तैयार करती है,
माँ तो माँ होती है ।

हर व्यक्ति का आधार होती है,
प्रति क्षण घडी पर नजरे बनाए रखती है,
जल्दी से आना कहकर प्रतीक्षा भी करती है,
माँ तो माँ होती है ।

हर कोमल स्पर्श से घर पावन कर देती है,
फूलों की खुशबू से घर महकाती है,
आँगन में ढेरों खुशियाँ बिखेरती है,
माँ तो माँ होती है ।

हर व्यंजनों को स्वादिष्ट बनाती है,
बिना शक्कर का मिठास होती है,
दिल में चैन का सुकून भर देती है,
माँ तो माँ होती है ।

हर भूखे पेट को खिलाती है,
स्वयं कब खाती और सोती है,
फिर सुबह जल्दी से भी उठती है,
माँ तो माँ होती है ।

हर परिवारवालों को संभालती है,
अच्छे और बुरे को सह लेती है,
खुद के बारे में कहाँ सोचती है,
माँ तो माँ होती है ।

हर बातों में उसकी दुआँ होती है,
समझ से भी ज़्यादा कुछ सिखलाती है,
नासमझकर भी वह बहुत ही भाती है,
माँ तो माँ होती है ।

हर रूठों को मुस्कुराहट में बदलती है,
दामन में चैन की नींद सुला देती है,
सारे दर्दों की दवा खुद ही पी लेती है,
माँ तो माँ होती है ।

इंसान से बढकर देवी का रुप होती है,
आँचल छोड न देना तकदीर मोड लेती है,
साथ गँवा दोगे तो हर पल तरस जाती है,
माँ तो आखिर माँ होती है ।

Student's Desk:

The Clock

The clock want to be free,
Free from wall,
Hands of the clock
Are tired and want freedom from 360
circle.

It is tired of showing the time always,
It is sad because of the dirt on it,

One day I and my small sister
Were playing a ball
My sister hit the ball to the clock
The clock fell down and broke into
pieces
And it is free from the wall.

-Guru Prasad, V Sigma

The Cars

Run and race, they crash and rise,
'Droon droon', they make a noise.
Leaving the smoke, they create a
dirt,
Fight against, they rise and burst.

They move as fast as light,
Making the great delight.
If it go and dash to something,
It will crash everything

One day it was excited,
So it was going fast,
It crashed and went somewhere
Leaving me alone.

It was nothing but my toy car
Always go very fast,
Now it went very far,
But I will never forget my toy car.
