The school logo -Kalparvuksha-- is derived from ancient mythology and represents bountiful nature which is selfless, sacrificing, and source of knowledge. The school logo is synonymous with the beliefs and value system that the school wants to inculcate in every child-tolerance and sensitivity to the needs of others.

School motto:

The school motto is -YOU CAN DO, YOU CAN WIN - We realize that every child is a bundle of potentialities and our school would provide the platform where the child discovers the uniqueness and develops it to the zenith, where countless dreams take root.

Vision:

Kalpavruksha Model School shall be a community-nurturing academic excellence for all students, demonstrating leadership and character development. The vision statement is intended to serve as both the blueprint for our growth and the benchmark by which we will evaluate our progress.

Mission:

Kalpavruksha Model School recognizes that teaching of human values and life skills is central to the life of the school. Together with parents, who are the first educators, we aim to create an environment where children can develop physically, intellectually, emotionally, socially and morally. We hope to lead our children towards understanding tolerance, justice and sensitivity to the needs of others.

The Rani defied the order and was the first lady who fought against the British with great courage and skill. She could not hold out for long and was taken captive and lodged in Bailhagal Fort, where she died in 1829. Rani Chennamma's determination to fight against all odds is what inspires the members of this house to overcome all hurdles.
